

House File 710

H-1021

1 Amend House File 710 as follows:

2 1. Page 1, after line 26 by inserting:

3 <3. Each board listed in subsection 1 shall retain sole  
4 discretion and authority to execute the core functions of the  
5 board including but not limited to policymaking, advocating  
6 for and against legislation, rulemaking, licensing, licensee  
7 investigations, licensee disciplinary proceedings, and  
8 oversight of professional health programs. The director's  
9 supervision of the executive director shall not interfere with  
10 the board's discretion and authority in executing the core  
11 functions of the board.>
